Differentiators

AVENT CONTRACTING, LLC. is Asian American owned and MBE/DBE/SBE certified enterprise.

We practice ethics of hard work and quality work but leverage best business practices as we work to achieve success on behalf of our clients.

Our capabilities include a wide range of HVAC processes. AVENT Contracting contractors coordinates and provides engineers, electricians, construction managers, business professionals and skilled tradesman, experienced in each area of the HVAC process that will be required for success within the scope of work typically presented by the contracts we are awarded.

We have a strong choice of subcontractors, suppliers, vendors and consultants.

These helps support our project by developing long term relationships with highly talented subcontractors and suppliers in our area of operations.

Core Competencies

Estimation - Computerized estimating software and experienced estimators ensure accurate takeoffs and compiling for both budgeting and final pricing.

Project Management - Tight project management and scheduling coupled with the advanced project management suite allows AVENT Contracting contractor to tackle even the most challenging projects.

Construction - Our technicians and professionals provide its government, commercial, and industrial clients with a broad range of projects.

Service - Experienced service technicians perform preventative maintenance and electronic testing to assure that all mechanical equipment is operating efficiently and reliably. Quick and Efficient emergency response it available 24/7 for any unexpected repair needs.
